

Accessing the UNCAC Technical Training Workshop Workspace on SNAP

Accessing the SNAP Portal

In order to ensure that all invited participants have access to the UNCAC Workshop Workspace on the SNAP Portal the SNAP team has included some detailed login instructions as well as the sections available to participants. This area will be updated frequently until the workshop in October and all materials, discussions, presentations, agenda, photographs, participant information and more will be available for download at your convenience thereafter.

Please direct your browser to <http://www.snap-undp.org/>. On the lower right hand side of the page you should see the Member Login link.
